

## ENROLLMENT REQUIREMENTS

CACS has a state-wide attendance zone. To be eligible for enrollment at CACS, students residing in the attendance zone must submit a timely application to the school in accordance with the deadline set by CACS. Parents/Guardians can submit an online application at <https://gacloud2.infinitecampus.org/campus/OLRLogin/cirrus> or by a physical application provided by the school. If the number of timely applicants received exceeds the capacity of a program, class, grade level, or building, we will ensure that applicants have an equal chance of being admitted through a random selection process (lottery). An application must be submitted for each student seeking enrollment (including siblings). CACS will provide each enrolling parent/guardian with a Parent Handbook. CACS reserves the right to amend, change or delete policies that govern CACS. CACS policy changes will be reflected as Handbook revisions and addendums. Parents/guardians should be aware that they must abide by all policies set forth in the Handbook and all revisions and addendums thereof.

Upon registration, the Office maintains a student personal file on every child accepted into CACS. It must contain copies of personal documents including:

- Birth Certificate of the student
- Current Immunizations record (Georgia Form 3231)
- Ear, Eye, Dental Screening (Georgia Form 3300)
  
- Copy of social security card (if available)
- Parent or Guardian Government issued Picture ID
- Guardianship Papers (If student does not live with natural parents)
- Kinship Caregiver Affidavits (if available)
- Grandparent Affidavit (if applicable)
- Records from Previous School
- Medical Information which will impact instruction

All student information given to CACS must remain current. Please notify the office immediately of any changes. In the event of the school closing, all records are placed in inaccessible storage.

Georgia law requires that every student enrolled in a Georgia public school must be immunized according to the rules and regulations established by the Georgia Department of Public Health. **A Certificate of Immunization (Form 3231) must be on file.** A Georgia physician or health clinic must complete the certificate. Students who do not provide the school with an approved certificate will not be allowed to remain in school. **A child enrolling in a Georgia school for the first time AT ANY**

**GRADE LEVEL must be age-appropriately immunized with all required vaccines.** In addition, those students entering a Georgia public school for the first time must provide a Certificate of Eye, Ear and Dental Examination (Form 3300) at enrollment.

Effective July 1, 2014 children born on or after January 1, 2002 who are attending 7<sup>th</sup> grade and for new entrants into a Georgia school grades 8<sup>th</sup> through 12<sup>th</sup> must have received a dose of Tdap (tetanus, diphtheria, pertussis) vaccine and one dose of meningococcal conjugate vaccine.

**NOTE:** An Affidavit of Religious Objection to Immunization form, or a Georgia Form 3231, with each medical exemption verified by your student's physician may be completed and submitted to the school, if applicable, in lieu of Current Immunization records. Please see the school principal or assistant principal for more information.
