

ROAD TO RETURN 2020-2021: Face-to-Face Learning

REQUIREMENTS TO RETURN

- ✓ Parents must attend a Return to School Orientation
- ✓ Masks are mandatory
- ✓ Daily temperature check-ins
- ✓ Uniforms are mandatory (see uniform policy)
- ✓ Scholars will have access to their Chromebook. Further instructions to come.

COMMITMENT TO SAFETY

The safety and well-being of our scholars is a top priority for our district. Contingent plans are based on less than 100 cases per 100,000. The CDC Guidelines, local public health conditions, community concerns, and practical facility constraints must be considered in these school reopenings decisions.

OUR PLAN

This plan is subject to change as public health guidelines are updated. Cirrus Academy tentatively plans to reopen for face-to-face instruction in January 2021. The gradual and staggered return for scholars will follow the dates in a phased schedule. Our plan is to keep scholars, staff and the community safe during the COVID pandemic, while maintaining our vision.

OUR PHASES

The planned "phased-in" approach for reopening in the Spring 2021 Semester included three phases:

- *Phase 1: January 6, 2021 - Kindergarten, 1st and 2nd graders & all SPED scholars
- *Phase 2: January 11, 2021 - 3rd, 4th and 5th graders
- *Phase 3: January 20, 2021 - 6th, 7th and 8th graders

"Flight to Excellence"
