

Cirrus Academy Charter School School-Parent Compact for Achievement 2021-2022 Dr. Gail Fowler, Superintendent/CEO

What is a School-Parent Compact?

A School-Parent Compact for scholar achievement is an agreement that parents, scholars, and teachers develop together. It explains how parents and teachers will work together to make sure all scholars reach grade-level standards

Jointly Developed

The parents, scholars and staff of Cirrus Academy Charter School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and scholars told us what help them learn. Meetings are held each year to review the compact and make changes based on scholar needs.

Parents are welcome to contribute comments at any time
